SMALL GROUPS!

Have you been thinking about Small Groups? Maybe you have wondered what takes place or happens in a small group? Most small groups meet in homes.

A small group allows everyone to connect in fellowship. We want you to take time to pray with each other, share a meal or snack, do life together but most important be in the word of God.

If we follow the teaching and scriptures, we gain further understanding of the Bible, not just learning about the Word of God but how to use it in our daily life and how make and be disciples.

Coming together as a group and doing life together we see changes in ourselves and others which creates a desire to serve or minister to someone through a small crisis or being in the right place at the right time to give someone a lift to work or to simply listen and be present.

Studying with your group, you will find that believers and Christ followers find ways to serve their neighbors, friends and others in their community. It may start with simply praying for them and then putting prayer in action. This is evangelism.

Sign up now after church just south of the coffee and refreshments in the commons area.

To become a part of a Small Group here at MCC or other questions, contact Chris Hicks 217-369-3419 or email magblue1@yahoo.com
